1. In order to respond to the need of the community and to completely provide access to basic education in the said locality and in the absence of a separate school site for the proposed secondary school, the Bachao Elementary School shall be converted to an integrated school and shall be named **BACHAO INTEGRATED SCHOOL** and is authorized to operate effective School Year 2024–2025.
2. The school shall offer K to 12 Basic Education Curriculum.
3. Considering the limited resources, the Curriculum Grades to offer upon opening of classes for School Year 2024-2025 shall only be Grade 7. The progression of its expansion for the next grade levels of Junior High School shall depend on the availability of the required resources upon approval of the Schools Division Superintendent.
4. It is recommended that all structures and school buildings to be constructed in Bachao Integrated School should be anchored on a structurally firm and stable ground.
5. The specifications in the National Building Code and Structural code of the Philippines must be strictly followed and modified, if necessary, based on recent events such as typhoon Yolanda and occurrences of earthquakes in the Visayas areas.
6. The Schools Division Superintendent shall:
 - a. provide teachers trained on the K to 12 Curriculum and consider adding regular teachers to this school to complete the number of teachers required to operate the integrated school.
 - b. review and finalize the assignment of school head to manage the said integrated school.
 - c. Facilitate the adjustment/updating of the school profile in the LIS/EBEIS.
 - d. provide additional school furniture (i.e., chairs, tables), textbooks, and other learning resources to the school.
 - e. Facilitate the implementation of the identified budgetary requirements and inclusion, as an integrated school, in the General Appropriation Act (GAA); and
 - f. Monitor the operation of Bachao Integrated School.
