7 August 2024

DIR. EVELYN R. FETALVERO
 Regional Director
 Department of Education – Regional Office VIII
 Palo, Leyte

Dear Dir. Fetalvero:

Greetings from the National Academy of Science and Technology, Philippines (NAST PHL)!

The Philippine Science Heritage Center (PSHC), under the management of the NAST PHL, is the premier science center in the country, mandated by Republic Act No. 9107 to serve as the main repository of the country's contributions, achievements, and accomplishments in science and technology.

One of the Center's activities is the **Salinlahi Evolution Competition**, which aims to encourage the youth to produce mobile learning applications anchored on science and technology. It also aims to provide opportunities to students to share their knowledge in an engaging and collaborative competition. The theme for this activity will be "**Fostering Sustainable Development Goals (SDGs) through Gamification**," which will give opportunities to students in creating avenues and spreading information to achieve a sustainable environment.

This activity is in partnership with the **Philippine Amusement and Entertainment Corp. (PAEC)**, a private institution engaged in creation and operation of educational and interactive indoor attractions in the country such as Food Wanderer x Lakbay Museo, Tales of Illumina, Dream Lab, Whimsical Wonderland, Museum of Emotions, Omniverse Museum, Craft Academy, and Artboom.

The NAST-PSHC together with PAEC will hold the competition starting in **August 2024** and winners will be awarded during the celebration of 2024 National Youth Science, Technology, and Innovation Festival (NYSTIF) on 19 September 2024. Applications submitted in the competition will also have a chance to be featured in the PSHC.

With this, may we ask you to disseminate the invitation to different teachers and students under your supervision?

For your reference, attached herewith are the poster, eligibility, app specifications, criteria, and requirements for the competition which can also be accessed through bit.ly/SDGSalinlahiEvoMech. Interested participants are required to submit their registration through the link: bit.ly/SDGSalinlahiEvoReg on or before 16 August 2024.

Mr. Carlo T. Teodoro, Science Research Specialist I, will coordinate with you regarding the details of the event. For questions or clarifications, you may reach us at salinlahi@nast.dost.gov.ph. You may also contact our office at 02-8247-9790 loc. 119.

Thank you very much. Your positive response will be greatly appreciated.

Sincerely,

LUNINGNING E. SAMARITA-DOMINGO, CESO III
Director IV
