Maam:

One of the challenges our Senior High School graduates of Bitanhuan National High School under General Academic Strand (GAS) had faced in college is the need to take bridging subjects/program required in their chosen degree. The matter was discussed in the *Division-Based SHS Program Implementation Review* in Biliran.

The Regional Monitoring team already conducted an on-site validation last March 12, 2024, thus recommended writing this letter.

With this, our school would like to ask permission from your office to close the offering of **GA** for the replacement of **Humanities and Social Sciences (HUMSS)**.

I am hoping for positive response on this request.

Thank you so much and God bless.

Very truly yours,

GERALYN M. CAGANON
School Head
