JUSTIFICATION

National Festival of Talents

In line with the goal of delivering quality, relevant, inclusive, and responsive basic education, the Department of Education (DepEd) - Curriculum and Teaching (CT) Strand, through the Bureau of Learning Delivery (BLD), will conduct the 2024 NFOT with the theme **“Galing, Talino, at Husay ng mga Batang Makabansa sa Diwa ng MATATAG na Adhika”** in Region VII (Central Visayas) on July 9-13, 2024.

As a co-curricular activity provided for by RA 10533 and DO 21 s. 2019, NFOT is a clear reinforcement of the teaching and learning process thereby providing significant association between what the learners learned in school and what they performed and produced during the festival.

The **National Festival of Talents (NFOT)** is DepEd’s annual co-curricular activity that provides meaningful learning opportunities and an avenue for basic education learners to display their talents and skills anchored on the learning competencies achieved in schools. It guides learners on which career path to take relevant to the four curriculum exits (higher education, middle-level skills development, entrepreneurship, and employment) of the Enhanced K to 12 Basic Education Program. Likewise, NFOT serves as a culminating activity of gauging learning mastery and skill development in accordance with learning standards.

The NFOT supports DepEd’s MATATAG agenda: **MA**ke the curriculum relevant to produce competent and job-ready, active, and responsible citizens, **TA**ke steps to accelerate delivery of basic education facilities and services, **TA**ke good care of learners by promoting learner well-being, inclusive education programs and ensuring that all learners, regardless of background, have access to quality learning opportunities and services, and **GI**ve support to teachers to teach better.

Consistent with DepEd’s goal of producing functionally literate and holistically developed Filipinos, all NFOT events are aligned with the essential learning competencies and standards of the K to 12 curriculum.

As an indicator of learning and learning outcomes, in the light of the National Learning Recovery Plan (NLRP), NFOT will continue for the following reasons:

1. NFOT results can be used to gauge if our learners did well in schools;
2. NFOT also provides learning opportunities for participants to integrate 21st century skills, life-skills, problem-solving skills, and even the basic survival skills that are essential at the current time and beyond; and
3. We can also reflect on how NFOT processes and results can be embedded in the performance indicators or Key Results Areas (KRAs) across levels of governance whether through technical assistance, coaching, resource management, research, monitoring

and evaluation, instructional supervision, and /or MOs importantly instruction. This streamlining is beneficial as we move towards one DepEd, One Quality Management System (QMS) program.

Authority to conduct has been prepared since there was no approved and printed copy of the WFP as to date.

It is through the abovementioned premise that the **Department of Education (DepEd)**, through the **Bureau of Learning Delivery - Student Inclusion Division (BLD-SID)**, deems it essential to conduct the aforesaid activity because NFOT is a significant event in DepEd that showcases the skills, talents, and creativity of the learners in different fields and promotes cultural diversity and appreciation among learners. It is also a means of assessing the acquired competencies of the learners from the classroom instruction.
