Dear Regional Director Fetalvero,

The Multinational Foundation, Inc. (MFI) in partnership with TOWNS Foundation, Inc. launched the FILIPINA ACHIEVERS FOR RURAL EDUCATION AWARDS (FLORA) in 2022 to recognize and honor women who have made outstanding contributions to rural education. In 2022, we awarded three Filipina teachers who developed and implemented educational innovations responsive to the challenges of the COVID-19 crisis and disruptions in their communities.

For 2024, we seek to recognize at least three Filipina teachers whose innovative projects Activate Critical Citizenship among Filipino Youth through Rural Education. In this year's call for nominations, eligible nominees are women educators in basic, higher and/or technical education in 4th, 5th, or 6th class municipalities. The reckoning period of the achievements that will be considered for FLORA 2024 is from April 1, 2022 to March 31, 2024. Their innovative projects should have been implemented during this period and for at least 5 months.

Each nomination will be vetted through a three-stage selection process. The FLORA 2024 awardee/s will each receive a cash prize of PhP 100,000, a trophy, and a plaque.

Through this letter, we would like to request your assistance in building awareness about the award and widening our reach of target nominees and nominators. With your support, we hope to expand the search coverage to as many rural communities as possible.

The Nomination Period is from **November 25, 2024 to January 3, 2025**. We have attached a copy of the nomination form for FLORA 2024, to be accomplished for each nominee. Filled-out nomination forms and other requirements for submission will be accepted at floraawardsph@gmail.com. Alternatively, a Google Forms version of the nomination form is available, should it be a preferable avenue for submission. All information may be found at floraph.com and at facebook.com/florawardph. **For further queries, please email awards@floraph.com.**

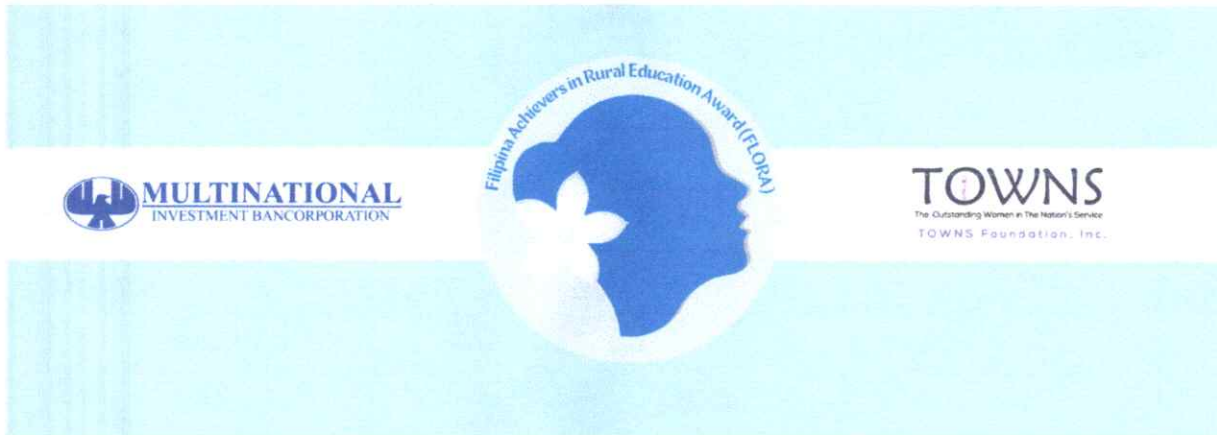

We sincerely hope that, through your kind attention and assistance, we can give due recognition to the hard work of exemplary teachers and put outstanding Filipina achievers in rural education on center stage.

Very truly yours,
