SIPNAYAN 2025: FIESTA IN THE CITY

Attached is an invitation from the Ateneo Mathematics Society (AMS) outlining their planned activities and inviting schools to participate

The activities aim to:

1. allow students from various schools to showcase their mathematical ability; and
2. encourage them to appreciate and promote for excellence.

The target participants are the Elementary to Senior High School learners from both public and private schools.

Participation of both public and private schools shall be subject to the *no-disruption-of-classes policy* stipulated in DepEd Order No. 9, s. 2005 entitled *Instituting Measures to Increase Engaged Time-on-Task and Ensuring Compliance Therewith*.

More information may be inquired from:

Email Add.: ams.acads.sipnayan@gmail.com

Considering that this is an Advisory, Schools Division Superintendents are given the discretion to act on this matter.

February 10, 2025

Evelyn Fetalvero, Regional Director

Office of the Regional Director for Region VIII

Department of Education

Dear Miss Fetalvero:

Greetings!

For the past 25 years, the Ateneo Mathematics Society (AMS) has hosted Sipnayan, an annual mathematics competition. Through it, the organization allows students from various schools to showcase their mathematical ability, encouraging thorough appreciation and promoting the strive for excellence. In its 26th year, Sipnayan will continue with its usual three-stage setup for each competing division while expanding with a workshop, research competition, and educational video challenge.

Sipnayan 2025: Fiesta in the City will take place **onsite**. The competition will be separated into three major divisions: (1) Grade School, (2) Junior High School, and (3) Senior High School. Furthermore, each division's competition will be divided into three stages: (i) a written elimination round, (ii) an oral semi-final round, and (iii) an oral final round. Moreover, the contest will be team-based, with each team consisting of three (3) members.

This year, Sipnayan 2025 will also hold a **workshop** for Junior High School students. The workshop will be a 1-day preparatory session, with a registration fee of **Php 400** per student for **private schools** and **Php 300** for **public or science schools**. A maximum of six (6) students per school will be accepted.

The registration fee for the main Sipnayan competition will be **Php 1000** per team for those from **private schools** and **Php 850** for those from **public or science high schools**. However, should a team be composed of members who **all attended the workshop**, a discounted rate of **Php 800** per team for those from **private schools** and **Php 600** per team for those from **public or science high schools** will be observed. A maximum of three (3) teams per division per school can participate.

Sipnayan 2025: Fiesta in the City will also include a **research competition** and **educational video challenge** that will be open to high school students (Grades 7-12) nationwide, with no limit on the number of participants per school.

For the **mathematical research competition**, students can submit individually or form a group of at most three (3) members. Teams can be composed of members from different grade levels. **Research proposals may fall under the categories of pure mathematics, applied mathematics, or mathematics education**. However, all projects will compete against each other, regardless of category. The whole paper will be submitted in both a **manuscript** and **infographic format**. The registration fee will be **Php 50 per entry**.

For the **educational video challenge**, students can submit individually or form a group of at most four (4) members. Teams can be composed of members from different grade levels. **Videos must showcase the application of any mathematical concept in real life**. The registration fee will be **Php 50 per entry**.

For the interested schools, the registration procedure and payment processes may be found here. To register, the designated coach is to fill up the details on the appropriate link:

CATEGORY	REGISTRATION FORM	REGISTRATION PERIOD
Workshop	https://link.ateneomathsociety.org/SIPNAYAN2025WorkshopReg	January 29 – February 21
Competition	https://link.ateneomathsociety.org/SIPNAYAN2025CompetitionReg	January 31 – February 21
Other Categories	https://link.ateneomathsociety.org/SIPNAYAN2025OtherCategReg	February 5 – February 26

The deadlines for registration will be on the respective dates above or until slots last.

Please see the schedule below for Sipnayan 2025: Fiesta in the City

EVENT	DATE
Workshop	March 8
Grade School Competition	March 29
Senior High School Competition	April 5
Junior High School Competition	April 12
Educational TikTok Challenge	April 12
Research Competition	April 12

In line with the Ateneo Mathematics Society's goal to build a community of math enthusiasts, we respectfully request that your office issue a memorandum inviting the schools under your authority to participate in our event. We would be very grateful if you could assist us in disseminating information about Sipnayan to these schools.

For more details, interested schools can take a look at our brochure for Sipnayan 2025 at [Sipnayan 2025: Fiesta in the City Mechanics](#). Moreover, for more updates, please visit the Sipnayan Facebook page at <https://www.facebook.com/AMSSipnayan/> as we will be updating the page regularly.

SIPNAYAN 2025

DAY 1-3: Elimination, Semi-Final, and Final Rounds of GS, JHS, and SHS

Time	Activity
6:30 AM - 7:30 AM	Registration
7:30 AM - 8:10 AM	Opening Ceremony
8:10 AM - 8:30 AM	Elimination Round Briefing and Set Up
8:30 AM - 10:30 AM	Elimination Round
10:30 AM - 11:30 AM	Lunch Break

11:30 AM - 11:40 AM	Announcement of Results for Semi-Finals
11:40 AM - 12:15 PM	Semi-final Round Briefing and Set Up
12:15 PM - 1:45 PM	Semi-final Round
1:45 PM - 2:05 PM	Announcement of Results for Finals
2:05 PM - 2:35 PM	Final Round Briefing and Set Up
2:35 PM - 4:20 PM	Final Round
4:20 PM- 5:00 PM	Awarding and Closing Program

If you have further concerns, please feel free to contact us via email at ams.acads.sipnayan@gmail.com. Thank you for your time and consideration. We are looking forward to working with you and your office.

Respectfully yours,

ZOE ANGELI UY
