## Department of Education

OFFICE OF THE UNDERSECRETARY FOR CURRICULUM AND TEACHING

**FROM :** **GINA O. GONONG**  
Undersecretary for Curriculum and Teaching

**SUBJECT :** **MONITORING OF BALIK PAARALAN PARA SA OUT-OF-SCHOOL-ADULTS (BP-OSA) IMPLEMENTATION FOR SY 2024-2025**

**DATE :** March 12, 2025

In line with the implementation of *Balik Paaralan para sa Out-of-school Adults (BP-OSA)* program which was launched in 1997 by the Department of Education (DepEd) as a response to the growing number of out-of-school adults (OSA) who had not completed their secondary education, the Department of Education, through the Bureau of Alternative Education (BAE), will conduct data gathering and monitoring of program implementers.

Since its establishment in 1997, the BP-OSA program has been instrumental in helping thousands of out-of-school adults regain their education and pursue better livelihood opportunities. However, given the changing educational and socio-economic landscape, it is essential to assess its effectiveness, reach, and relevance to ensure it continues to meet the evolving needs of adult learners. Evaluating the program will provide valuable insights to inform whether it needs policy updates, revisions, or even termination especially now that there is a current RA 11510 that supports the implementation of the Alternative Learning System which may be identical to the implementation of BP-OSA.

In this regard, the Bureau of Alternative Education would like to inform the Regional Offices, Schools Division Offices, and their respective schools implementing BP-OSA program that this Bureau will conduct a monitoring and evaluation of the program implementation to be conducted on March 28 to 31, 2025 by the following BAE personnel in the following regions, divisions, and schools:
