Ma'am,

I hope this message finds you well.

Greetings of gratitude!

The Philippine Values Education Program (PVEP) is expressing our deepest gratitude to your warmth acceptance to our last year request to teach biblical values in your school Ma'am. And this year, we humbly ask once again for your favorable response to allow us to continue our aim to be part of your support system as supplement in attaining the objectives of the school through teaching biblical values education.

The soul of this program is in line with our National Motto and DepEd Core Values: "MAKA-DIYOS, MAKATAO, MAKAKALIKASAN, AT MAKABANSA". PVEP would like to help schools on strengthening learner's ethical and spiritual values, using God's Word as our guiding principle. We believe it all starts with the values of being "MAKA-DIYOS". Once the learner's perception and relationship with God is established, the fear of God and moral character transmutation will follow.

The Philippine Values Education Program has been committed to instilling in our children the importance of compassion, forgiveness, honesty, and other values central to the Christian faith universally accepted as good values without violating the principles of neutrality and inclusivity for seventeen (17) years.

The PVEP Main Office will supply all necessary teaching materials, including our LIFE Seekers Manuals, which comprehensively aligns with the Department of Education's **Makabagong Kurikulum na May Lakas, Talino, at Galing** agenda and the **Edukasyon sa Pagpapakatao Most Essential Learning Competencies**.

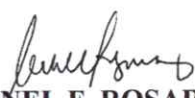

RA11476, GMRC and VALUES EDUCATION Act to teach students the importance of good manners, respect for others, and moral values. It also aims to develop students into responsible and productive citizens.

Our primary purpose in our activities focuses on supplementing Christian values in helping mold our young learners into becoming responsible, values-driven citizens. We would be grateful if you could consider our request in light of this information and to contribute positively to the community without any financial burden on the institutions we partner with.

Upon approval and validation, this MOA shall stay in effect for two (2) years and subject to renewal after both parties have reviewed the effectiveness of values coaching, training, and teaching for the students.

Attached to this letter are the MOA sample and lesson topic Matrix for your convenience.
Thank you for considering our request. We look forward to your favorable action on this matter.

Sincerely,

JERNEL F. ROSARIO

Dear Ms. Ruth:

Greetings from DepEd Eastern Visayas!

This Office wishes to express its appreciation for your initiative to voluntarily teach values education in our schools.

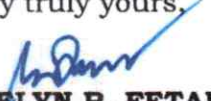

However, relative to your concern, please be advised that the Department issued DepEd Memorandum No. 012, s. 2023 or the **Moratorium on the Implementation of DepEd Order No. 001, s. 2020 (Guidelines for NEAP Recognition of Professional Development Programs and Courses for Teachers and School Leaders)** on March 2, 2023.

The moratorium underscores the commitment of the Department to align its programs, projects, and activities to the MATATAG Agenda which envisions implementing resilient reforms in the curriculum implementation, quality basic education services, maximum provision of education facilities, protection of learner well-being, and development of teacher-support programs.

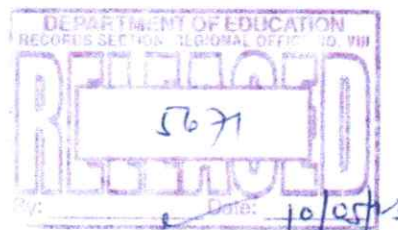

Likewise, the Office has scheduled training programs that are aligned to the Department's MATATAG Agenda (**MA**ke the curriculum relevant to produce competent and job-ready, active, and responsible citizens; **TA**ke steps to accelerate delivery of basic education facilities and services; **TA**ke good care of learners by promoting learner well-being, inclusive education, and a positive learning environment; and **GI**ve support to teachers to teach better).

Thank you and best regards.

Very truly yours,
