NATIONAL EDUCATORS ACADEMY OF THE PHILIPPINES

Enclosure 1: Qualification Standards for Core Trainers and Training Faculty
*(Phase 2 – Revised K to 12 Curriculum Capacity Building Activities for G2358
Teachers and School Leaders)*

The effectiveness of the training is reliant on the quality of core trainers and training faculty from the regions. They shall serve as Resource Persons in the conduct of SDO-led training of teachers. With this, the academy encourages a thorough evaluation at various governance levels to ensure that only the most qualified are chosen and endorsed to be a part of the pool of core trainers and expanded training faculty.

To ensure the effectiveness and equity of the training program, the selection of core trainers will consider diverse contexts and specialized areas of education, including:

- **Competency Benchmark** - Educators with strong leadership, instructional, and mentoring capabilities who can guide teachers effectively.
- **Indigenous People (IP) Education** - Trainers with expertise in culturally responsive teaching to support IP learners
- **Special Needs Education (SNED)** - Specialists who can address the needs of learners with disabilities

The Regional Offices, through their Human Resource Development Division (HRDD) Chiefs, are responsible for identifying and selecting the Training Faculty for their respective regions. To ensure a highly competent pool of trainers, all Schools Division Offices (SDOs) are encouraged to nominate qualified candidates based on the Qualification Standards (QS) set by the NEAP Central Office. These standards ensure the selection of trainers who exhibit:

- Strong subject matter expertise aligned with the revised k to 12 curriculum.
- Exceptional facilitation and instructional skills to deliver engaging and effective training.
- Extensive experience in teacher training and professional development to maximize learning impact.

The number of training faculty required per region is indicated in Enclosure 3. The Regional Office is responsible for cascading the allocation and ensuring proper distribution across their divisions. The HRDD Chief is tasked with assigning the total number of Core Training Faculty per SDO, ensuring that each SDO has adequate trainers for Grades 2, 3, 5, and 8. This guarantees equitable representation and a well-distributed pool of trainers to support the successful implementation of the Revised K to 12 (MATATAG) Curriculum.

QUALIFICATION STANDARDS

The selection is open to Teachers, Master Teachers, School Leaders (Officer-in-Charge, Teachers-in-Charge, Assistant Principals, and Principals), and teaching-related personnel (Chiefs, Education Program Supervisors, and Public Schools District Supervisors) from the Department of Education.
