DATE : May 26, 2025

The Bureau of Alternative Education (BAE) has been conducting a series of writeshops in support of the proposed establishment of a permanent governance structure at the field levels, as well as a clear career progression pathway for Education Program Specialists II for ALS (EPS II for ALS).

To sustain this initiative, the Bureau of Alternative Education will conduct a Writeshop on the Finalization of Proposed Permanent Governance Structures at the Field Levels and Career Progression Pathways for EPSs II for ALS on June 3-6, 2025 at Emelia Healing Resort, Brgy. San Jose, Samal District, Island Garden City of Samal, Davao del Norte.

This activity aims to: a) finalize the proposed governance structures at the regional and division levels to foster a cohesive, coordinated, and effective implementation of the ALS program nationwide; and b) refine the career progression pathways for EPS II for ALS to ensure alignment with professional standards, and to promote clarity, feasibility, and growth opportunities within the ALS workforce.

In this regard, we respectfully invite select DepEd field officials (see attached list) to participate in this significant activity. Their insights and expertise will be instrumental in finalizing the proposals and related documentation.

Board and lodging of participants will be covered by the Program Support Fund (PSF) of DepEd Regional Office XI, while travel expenses shall be charged to BAE funds (AC-25-BAE-PQAD-FLO-2-050).
