EVELYN R. FETALVERO, PhD, CESO IV
Regional Director
Department of Education
Region 8

Dear Dir. Fetalvero:

We are pleased to inform you that the Department of Science and Technology (DOST) Region 8 is organizing an important event focused on Disaster Risk Reduction and Management titled **"Preparing for the BIG ONES: Understanding Earthquake Scenarios in Eastern Visayas."** This event is on July 07, 2025 in alignment with the celebration of National Disaster Resilience Month-month-long event focuses on building disaster resilience, promoting preparedness, and enhancing the country's ability to withstand and recover from disasters.

Our goal is to empower DepEd personnel, offices, schools, and learners by equipping them with the knowledge and tools necessary to ensure safety and learning continuity. We recognize that students can play a crucial role in raising awareness and fostering a culture of preparedness in their communities. This may include organizing events, participating in community meetings, and sharing important information.

This event aims to: (a) Provide a better understanding of the basics of volcano, earthquake, and tsunami terminologies and related hazards; (b) Increase awareness and appreciation of the different earthquake scenarios (Big Ones) in Eastern Visayas; and (c) Promote preparedness and resiliency for volcano, earthquake, and tsunami events.

For any clarifications, please feel free to contact the Project In-Charge, Dr. Rufino E. Mengote, ARD-FAS (cellphone number 0999-442-6234, email: rufino.mengote@region8.dost.gov.ph), or Mr. Sherwin O. Macantan, Project Technical Assistant I (cellphone number 0915-492-9842, email: drmmstare@gamil.com).

This event will be held via an online platform (Zoom) so that all your personnel and learners can attend.

Thank you very much for your kind attention and support in this endeavor. We look forward to your favorable response and cooperation.

Very respectfully yours,

DR. JOHN GLENN D. OCAÑA
Regional Director
