No. 789 s.2025

**VIRTUAL ORIENTATION OF PILOT SCHOOLS ON THE  
IMPLEMENTATION OF THE E-ACADEMY PROGRAM**

To: Schools Division Superintendent  
Division English and Reading Supervisors  
All Others Concerned

1. In preparation for the pilot implementation of the eAcademy Program, this Office, in partnership with Town4Kids, shall conduct a virtual orientation with the identified pilot schools represented by the school principals and teacher coordinators on July 12, 2025, Saturday, 10:00 a.m. via Zoom.
2. The expected participants per pilot school are the school principal/head and the teacher coordinator whose names are stipulated in Enclosure 1. The Division English and Reading Supervisors are also invited to attend so they can get inputs on how they can embed the program into their respective action or implementation plans that will strengthen their own reading and literacy programs.
3. Prior to the meeting, each pilot school must have already accomplished the "Participating School's Implementation Form" in order to register and receive access to the program via email and must have already downloaded the eAcademy software since participants will be oriented on program guidelines and instructed on how to use and navigate the different features and functions of the software which are critical to the effective and efficient delivery the online learning sessions and utilization of digital and interactive learning materials.
4. The activity shall also serve as venue to clarify concerns directly with the project partner and ensure that the school meets the requirements of the program.
5. The virtual meeting link shall be shared thru the pilot implementing schools' group chat not later than July 10, 2025.
6. Immediate dissemination of and compliance with this Memorandum are desired.
