Dear Dr. Firmo,

Good day.

The operative word at the national and global education sector is transformative. The **Philippine Development Plan (PDP) 2023-2028** is a plan for Economic and Social Transformation. Transformative education is a key aspect of **EDCOM 2's work**, aiming to modernize and improve the quality of education in the Philippines. The launching of **Quality Basic Education Development Plan (Q-BEDP)**, a 10-year strategic plan for Philippine basic education, building on the Basic Education Development Plan (BEDP) 2030, is very timely. It aims for transformative change through decentralization, digitalization, and public-private partnerships. **UNESCO** which is celebrating this year its 80 years founding anniversary and **UNICEF** campaign for Transformative Education while **Food for the Hungry**, Branch Office USA, your development partner espouses RFST (Resilient and Transformative Sector Transformation).

FHBO is gearing towards a meaningful application of the Systems Thinking approach and is ready to partner with you once again in the next coming years. Through Productive Learning (PL), one domain of RFST, it is our intent to contribute to Transformative Education not only of our children but their family and immediate community as well.

Anent to this, we would like co-create with you how our **TaRL (Teaching at the Right Level)**, one of the our RFST- PL products can be implemented in the next coming years to help achieve transformative education. Our FHBO area program staff would like to visit you at **Dep Ed Regional Office** together with **CLMD Chief of Dep Ed Region, CID chiefs of Leyte and Samar Division** on **September 24, 2025 at 1:30 in the afternoon** to further discuss our initiatives on Transformative Education through TaRL. We will be very much grateful if you can provide us the audience at this time, or at a schedule that is most convenient for you.

Should you require additional details or adjustments to the proposed schedule, please feel free to contact us at **09081899442**. Thank you.

Respectfully,

MS. SHARON S. BAYONITO
Off. Program Director
