Workshop on the Development of Multilevel Materials in English, Science, Math (3rd & 4th Quarters)	November 5 -7, 2025	Venue to be announced (within NCR)
--	---------------------	------------------------------------

The goal of these activities is to develop Multilevel Materials (MLMs) aligned with the Revised K to 10 Curriculum. These self-directed MLMs are expected to effectively address the diverse learning needs of learners in multigrade schools. Through competency-based activities, learners will gain the autonomy to learn at their own pace, progressing from foundational concepts to advanced levels of understanding and application. These materials are crucial, especially in multigrade classrooms where teachers must divide their expertise and attention among multiple grade levels, ensuring the efficient use of instructional time and valuable educational resources.

In this regard, this Office would like to invite personnel from each region listed in **Annex 1** to participate in the workshops as **writers and reviewers**. Their experiences in multigrade schools make them well-suited for these roles. They are requested to bring laptops for use during the workshops and to register on the following links **on or before October 20 and November 3, 2025**, respectively:

- <https://tinyurl.com/MGMLMDevelopmentQ1Q2> for Development Workshop (1st and 2nd Quarters)
- <https://tinyurl.com/MGMLMDevelopmentQ3Q4> for Development Workshop (3rd and 4th Quarters)

Board and lodging, travel expenses, and other incidental expenses of the participants will be charged against the **Fiscal Year 2024 Multigrade Education Continuing Funds** subject to the usual accounting and auditing rules and regulations. Participants may arrive at the venue one day before the workshop officially begins to ensure they are well-rested and fully prepared for the activity. However, the accommodation costs for this preliminary day will be borne solely by local funds. Should the downloaded funds prove insufficient to fully cover all travel expenses, any remaining balance will likewise be supplemented by local funds.

Compensatory Time-Off (CTO) will be granted to participants in lieu of workshop days scheduled on official holidays or weekends, in accordance with CSC and DBM Joint Circular No. 2, series of 2004.

For queries or clarifications, please contact the **BLD-TLD Multigrade Team** through email at multigrade@deped.gov.ph or mobile nos. 09237352494 or 0929747 7749.

Immediate dissemination and compliance of this memorandum is requested.
