## BUREAU OF LEARNER SUPPORT SERVICES REGIONAL YEAR-END PROGRAM IMPLEMENTATION REVIEW 2025

### BULLETIN OF INFORMATION

#### I. Background

The Government and Operations Strand of the Department of Education (DepEd) ensures the capacity of the organization to continuously improve and be strategic in managing the environment for which "teaching and learning" takes place.

Under the strand is the Bureau of Learner Support Services (BLSS) which formulates the national framework for all learner support services and issues policies and standards to guide the programs for the holistic development of learners that complement the curricular offerings. BLSS is responsible for programs that ensure the holistic development and well-being of learners, covering areas such as health and nutrition, mental wellness, learner's rights and child protection, leadership and formation, and inclusive education. Given the dynamic nature of education policies and emerging learner needs, this year-end review is crucial in assessing performance, aligning strategic priorities to optimize resources, and fostering collaboration among the BLSS, Regional Offices (ROs) and School Division Offices (SDOs).

To ensure that the implementation of all the Bureau's plans, programs, and activities across regions are adequately supported, the BLSS shall conduct its **Regional Year-end Program Implementation Review (PIR)** on **24-26 February 2026** at the **Baguio Teachers Camp, Baguio City**.

The BLSS Regional Year-end PIR is a strategic gathering aimed at evaluating progress, addressing challenges, and refining initiatives to enhance learner support programs.
