Dear Dir. Firmo:

Warm greetings from the Aloysian Professional Community!

We are writing to formally request the issuance of a DepEd Advisory to facilitate the dissemination of information regarding the forthcoming **CPD Seminar on Professional Development Program on Action Research in Education** with the theme, *"Action Research: Basis for Problem-Solving and Decision Making Towards Quality Learning"*. Organized by Aloysian Publications (Philippines) in collaboration with BETMA English (Vietnam), this noteworthy event is scheduled for May 4-6, 2026 via Zoom Club Meeting.

The Professional Development Program on Action Research in Education is a capacity-building course designed to equip teachers with the knowledge, skills, and competencies necessary to conduct systematic, classroom-based action research. The program strengthens teachers' ability to investigate real classroom and school issues, generate empirical evidence, and implement data-driven solutions that improve teaching practices and learner outcomes.

Considering the relevance of this program to professional growth and school improvement initiatives, we respectfully request the issuance of a Regional Advisory/Endorsement to inform and encourage participation of public and private school teachers and school leaders within your jurisdiction, subject to existing DepEd policies and regulations.

Since the activity will be conducted virtually during the uninterrupted vacation of teachers, this will not disrupt regular school operations. Participants may attend outside teaching hours or with proper administrative permission in accordance with established guidelines. Attached are the program rationale, seminar matrix, and other supporting documents for your review.

We sincerely hope for your favorable consideration and support of this professional development initiative. Thank you very much for your continued leadership and dedication to advancing educational excellence.
