Dear **Dr. Jimenez:**

Greetings!

In consideration of public interest and protection, the Commission on Higher Education – Regional Office VIII reiterates the information we have previously shared. As of this date, the **CHEDRO VIII Registry of Program Offerings** identifies zero recognized extension graduate programs offered by any public or private higher education institution from outside this region.

Furthermore, CHEDRO VIII has no recognized special programs or extension classes — either undergraduate or graduate — authorized to operate under any college or university.

Finally, the Commission has not authorized any college/university in the region to offer full online classes.

We request that your office disseminate this information to all Department of Education personnel to prevent further enrollment in unauthorized programs or extension classes.

Additionally, to protect the integrity of our educational system, we request any information regarding ongoing undergraduate or graduate special programs/extension classes held in Region 8 through chedro8@ched.gov.ph.

Thank you for your immediate attention to this matter and for the continued partnership in ensuring quality education in the region.

Very truly yours,

PUBLIC ADVISORY

17 March 2026

FOR : GENERAL PUBLIC
PRESIDENTS/HEADS OF PUBLIC AND PRIVATE HEIs
CHEDRO VIII STAKEHOLDERS / CLIENTS

FROM : COMMISSION ON HIGHER EDUCATION - RO VIII

**SUBJECT : STATUS OF EXTENSION PROGRAMS AND
ONLINE MODALITIES IN REGION VIII**

The Commission on Higher Education Regional Office VIII (CHEDRO VIII) provides an update on its current Registry of Program Offerings:

- Currently, there are no recognized extension or regular graduate/undergraduate programs offered by any public or private higher education institutions from outside Region VIII.
- CHEDRO VIII has not authorized any special programs or extension classes — at either the undergraduate or graduate level—to operate under any college or university within the region.
- The Commission has not authorized any college or university in Region VIII to offer programs via full online classes.

CHEDRO VIII reminds the public to enroll in authorized programs to ensure that their earned units and degrees will be fully recognized for licensing, promotion, ranking, and/or salary adjustments.
