Dear Sir,

Greetings of peace!

Microwide's Learning & Development Center, offers computer literacy enhancement and development program for students in primary and secondary level. Our company aims to develop the skills and knowledge of Filipino youth in the field of technology, in building credibility we are currently in partnership with St. Thomas Aquinas College (STAC) of Sogod, Southern Leyte, Franciscan College Of The Immaculate Conception of Baybay City, St. Joseph College of Maasin City, Southern Leyte and Christ The King College of Calbayog City, in providing quality education in the field of IT.

With your kind approval, we humbly ask for your assistance and endorsement from the Department of Education (DepEd) Regional Office for us to be accommodated among public schools as we conduct an Assessment for primary and secondary level. The Assessment which normally lasts for 10-15 minutes only for each section, our objective is to determine who qualifies and who among the students in your school needs further development in the field of IT.

To all qualified students and students who needs further development and knowledge in IT, our company offers computer literacy programs and may enroll in **VOLUNTARY** basis. We assure that the proper protocol of each schools will be strictly observed by our fully vaccinated staffs and that there will be **NO CLASS INTERRUPTION** during our assessment period.

We are looking forward for your positive response as we develop the knowledge of our youths. You can reach us through these numbers 09319116022 or 09295664876

Thank you and God bless.

Respectfully yours,

Berlynn Soto-Cabarubias

Office of the Regional Director

September 9, 2025

BERLYNN SOTO-CABARUBIAS

Chairman
 Microwide's Learning and Development Center
 Bonifacio St., Zone 1, Baybay City

Dear Mrs. Cabarubias:

Warm greetings from DepEd Regional Office VIII.

We acknowledge receipt of your request to conduct a Free Computer Literacy Assessment in public schools within our region, as part of your institution's initiative to enhance and develop students' competencies in Information and Communication Technology.

We commend Microwide's Learning and Development Center for its commitment to supporting the digital literacy of our learners. Your objective to provide targeted enhancement programs following the assessment is aligned with our shared goal of enriching students' educational experiences.

However, in compliance with the Department of Education's Time-on-Task Policy, we kindly advise that you coordinate directly with the school heads of the respective schools where you intend to conduct the activity. This will ensure that the scheduling of the assessment does not interfere with regular instructional time and is managed appropriately at the school level.

Furthermore, please be reminded that the conduct of this activity must be strictly voluntary for both students and teachers. Participation should not be made a requirement for any subject area or be tied to academic performance.

We sincerely value your ongoing support and partnership in enhancing the educational experiences of our learners. Should you require further clarification or assistance in coordinating with the schools, you may reach out to Dr. Ernani S. Fernandez Jr., Education Program Supervisor at the Curriculum and Learning Management Division (CLMD) through email at clmd.region8@deped.gov.ph.

Thank you and we look forward to your continuing digital literacy among our learners.

Sincerely,

RONELO AL FIRMADO, CESO IV
