April 16, 2026

**REGIONAL MEMORANDUM**

NO. **462** s. 2026

**UTILIZATION OF ALL SUPPLEMENTARY LEARNING  
RESOURCES IN LIBRARY HUBS**

To: Schools Division Superintendents  
All Others Concerned

1. In preparation for the opening of classes in **June 2026 for School Year 2026–2027**, all **Division Learning Resources (LR) and Library Hub Librarians** are directed to ensure that all **Supplementary Learning Resources (SLRs)** under their custody are properly organized, processed, and available for utilization by schools.
2. These SLRs are expected to be **withdrawn from the Library Hub and made available for distribution prior to the opening of classes**, ensuring that recipient schools are fully prepared for instructional delivery and utilization at the start of the school year.
3. The **Library Hub**, as a centralized facility for the storage and circulation of learning resources, plays a vital role in supporting teaching and learning by providing schools with access to quality supplementary materials.
4. All concerned personnel shall undertake the necessary preparatory activities to ensure that these resources are readily available, properly documented, and systematically distributed to schools for effective utilization.
5. The **Curriculum and Instruction Division (CID)** shall ensure that recipient schools are properly identified and prioritized based on the results of assessments, monitoring activities, and other relevant data gathered from schools.
6. These data-driven results shall serve as the basis for identifying schools that will benefit most from the utilization of Supplementary Learning Resources.
7. After the resources have been utilized by the initially identified schools within the prescribed period, the materials shall be retrieved and transferred to the next set of priority schools to maximize their utilization and ensure equitable access to learning resources across schools in the division.

8. All concerned personnel are **enjoined to comply with this Memorandum** to ensure the effective and efficient utilization of Supplementary Learning Resources for the benefit of teachers and learners across the division.
9. For guidance and strict compliance.

*for:*
