***Subject:** Invitation to National Training on Skills-Based Teaching, Assessment, and Industry Alignment in TLE, TVL, and Tech-Voc Education*

Dear Regional Directors,

Peace and good health be unto you!

The Philippine Organization for TLE and TVL Educators, Inc. (POTTE, Inc.) respectfully announces the conduct of the **National Training on Skills-Based Teaching, Assessment, and Industry Alignment in TLE, TVL, and Technical-Vocational Education** on June 12-14, 2026 via Zoom.

Anchored on the goal of strengthening quality technical-vocational education, this program aims to enhance teachers' competencies in skills-based instruction, performance-based assessment, and industry-aligned teaching practices. Specifically, it seeks to: (1) strengthen the application of competency-based and skills-based teaching approaches; (2) develop training plans and lesson plans aligned with TESDA and DepEd standards; (3) design performance-based learning tasks and assessment tools; and (4) ensure alignment of learning outcomes, instructional strategies, and assessment methods. The training further emphasizes practical outputs through the development of a complete instructional package applicable to participants' respective teaching contexts.

In view of the foregoing, the undersigned respectfully invites **all TLE, TVL, and Technical-Vocational Education teachers and faculty members under your supervision** to participate in this training.

In this regard, may we respectfully request your good office to extend support and allow your faculty members to attend the said activity.

We look forward to your continued support and participation in this professional development initiative.

Thank you very much.

Respectfully yours,

Sha G.
