**Subject:** Request for Advisory/Endorsement – National Training on Skills-Based Teaching, Assessment, and Industry Alignment in TLE, TVL, and Tech-Voc Education

Dear Sir/Ma'am,

Peace and good health unto you!

With utmost respect, the **Philippine Organization for TLE and TVL Educators, Inc. (POTTE Inc.)** humbly extends its invitation to your good office in connection with our upcoming program entitled:

**“National Training on Skills-Based Teaching, Assessment, and Industry Alignment in TLE, TVL, and Tech-Voc Education,”** to be conducted on **June 12, 13, and 14, 2026** via online platform.

This three-day national training is designed to support educators and trainers in strengthening their competencies in **skills-based teaching, competency-based training, and performance-based assessment**, anchored on the current standards and practices of **TESDA, DepEd, and CHED**. It aims to provide practical and relevant learning experiences that will contribute to improving instructional delivery and aligning education with industry needs.

In this regard, may we most respectfully request from your esteemed office the issuance of an **ADVISORY AND/OR ENDORSEMENT** to inform and encourage the participation of teachers, trainers, and other concerned personnel under your jurisdiction. We humbly believe that your support in this matter will greatly assist in the wider dissemination of the program and in promoting continuous professional development among educators.

## PROGRAM MATRIX

### **National Training on Skills-Based Teaching, Assessment, and Industry Alignment in TLE, TVL, and Tech-Voc Education**

**Description:** This three-day national training program is designed to enhance the competencies of educators in delivering **skills-based teaching, performance-based assessment, and industry-aligned instruction** in TLE, TVL, and Technical-Vocational Education.

The program integrates current practices from TESDA (**competency-based training and assessment**), DepEd (**skills-based teaching and updated lesson planning**), and CHED (**assessment alignment and performance-based evaluation**) to ensure relevance across educational sectors.

It focuses on **practical application**, enabling participants to design training plans, develop updated lesson plans, and create assessment tools aligned with industry standards and workforce demands. At the end of the program, participants will produce a **complete instructional package** that can be immediately applied in their respective teaching and training contexts.

#### **Objectives:**

**At the end of the training program, the participants are expected to:**

1. **Explain and apply competency-based and skills-based teaching approaches** relevant to TLE, TVL, and Technical-Vocational Education.
2. **Design competency-based training plans and session plans** aligned with TESDA training standards.
3. **Develop updated lesson plans based on MELCs and skills-based teaching principles** applicable to DepEd and TVL programs.
4. **Design and implement performance-based learning tasks** that promote skills mastery and real-world application.
5. **Develop assessment tools using evidence-based and performance-based approaches**, including rubrics and evaluation checklists.
6. **Apply alignment of learning outcomes, teaching strategies, and assessment methods** in instructional planning.

7. **Produce a complete skills-based instructional package** integrating training plan, lesson plan, and assessment tools.

**Duration:** 3 Days (24 Hours)

**Training Modality:** via Zoom

**Date of Conduct:** June 12,13& 14, 2026
