SALUSTIANO T. JIMENEZ
Department of Education - Region VIII
Regional Director

Dear **DIRECTOR JIMENEZ**:

Greetings from the Teacher Education Council!

We are currently undertaking a review of the application of the Philippine Professional Standards for Teachers (PPST) across various systems. Adopted in 2017 by the Department of Education, the PPST serves as a key framework guiding recruitment, selection, placement, and induction (RSPI), as well as teacher professional development.

In line with this, we respectfully invite your office to support the dissemination of our survey entitled: *“Review of the Application, Deployment, and Placement of Teachers and School Leaders in Basic Education Schools.”*

As part of the 2026 review, TEC aims to examine the PPST and related policies in terms of:

1. **Impact on teacher quality** – how it supports teacher readiness and development at entry into the profession
2. **Usability in practice** – how it is applied in real hiring and selection processes in both public and private schools

This survey marks the first in a series of activities to support the review. It takes about 5-10 minutes and includes both closed and open-ended questions to better capture experiences and perspectives.

We kindly request your institution to disseminate the survey to your teachers and school leaders through your communication channels. The social media and survey links for sharing are provided below.
