SUBJECT : **PILOT TESTING OF THE SCHOOL GOVERNANCE COUNCIL
(SGC) FUNCTIONALITY ASSESSMENT TOOL IN PUBLIC
ELEMENTARY SCHOOLS**

DATE : 24 April 2026

The effective implementation of the **School Governance Council (SGC)** requires active participation of internal and external stakeholders in the practice of shared governance. Such engagement enables stakeholders to collaboratively share responsibilities, provide inputs, and participate in consultative and inclusive decision-making processes.

Anchored on this principle and in preparation for the rollout of the SGC Functionality Assessment Tool in Public Elementary Schools, the Bureau of Human Resource and Organizational Development–School Effectiveness Division (BHROD-SED) shall **conduct pilot testing of the SGC tool in selected public elementary schools**. This initiative builds on a series of online consultations with field counterparts from the Regional Office (RO) and Schools Division Office (SDO), whose insights have informed the refinement of the tool and its accompanying materials.

To commence the pilot testing of the SGC Functionality Assessment Tool, links to the SGC Functionality Assessment Tool (Online Form), SDO Validation and Monitoring Sheets, and RO Monitoring Sheets shall be provided by the BHROD-SED to the RO SGC Focal Persons via email. Accordingly, the RO-SGC Focal Persons are hereby requested to disseminate these links to all concerned SDOs and ensure proper coordination for the pilot implementation to the Public Elementary Schools.
