Dear Dr. Jimenez,

Greetings from Likhayan: The UP Institute of Creative Writing!

We are pleased to announce that we are organizing the **5th Saling Panitik: Bienvenido Lumbera Seminar-Palihaan sa Pagsasalin**, titled "**Pagsasalin bilang Pedagohiya**," which will be held from **August 18 to 20, 2026** at **Microtel by Wyndham UP Technohub, Quezon City**.

For its 5th iteration, Saling Panitik aims to engage with the role of translation in teaching and pedagogy, from within the classroom to broader academic and curricular work. The seminar-workshop recognizes the value of translation in cultivating knowledge, expanding students' learning capacities, and bridging cultural and academic gaps and differences. Participants of the seminar-workshop may include secondary to college-level educators, college students, and translation scholars and enthusiasts from across the country.

In line with this, we humbly seek your assistance in identifying and recommending faculty members from your district who may be interested in registering for our seminar-workshop. It would be greatly appreciated if you could provide the names and contact details of faculty members who are qualified and suitable to participate in this event.

They may also directly register for the seminar-workshop via this link:
