Greetings!

May I have the honor to introduce our company the **SILVERPOINT TRAINING INSTITUTE OF INDUSTRIAL SECURITY, INC.** It was conceptualized through the initiative of **DR. NELSON A. SILVA**, a native of Anilao, Iloilo and a former **Security Guard** who rose from the ranks until he reached the ladder of Vice President for Operations. He then venture in training from a Part-time Trainer and eventually the Training Director of one of the biggest training center. He then was hired by the biggest university in the south of Metro Manila as Training Director which paved the way for him to enroll in Graduate School and took up Doctor of Business Administration degree.

After his graduation, he became a College Professor, Department Head, Dean and as College Administrator. His almost four decades of experience in security industry and two decades in the academe prompted him to put up a security training center in order to share his expertise to the young security professionals.

Despite the pandemic, his desire to venture in this type of business was strong that he registered a company name in Securities Exchange Commission on February 2022 and was issued a business permit by Pasay City local government then with **License to Operate (LTO-PSTA-NCR-R-11092023-01)** by Philippine National Police – Supervisory Office of Security and Investigation Agencies (PNP-SOSIA) specifically the office of Security Training Management Department (STMD) and granted a TVET Programs Registration and Assessment Center Accreditation by Technical Education and Skills Development Authority (TESDA).

Our Trainers are all industry practitioners in the field of Security and Safety for more than two decades, with Masteral Degree and accredited by PNP-SOSIA and TESDA as well.
