SUBJECT : **GUIDELINES ON THE UTILIZATION OF FY 2026 FUNDS TO REGIONAL OFFICES FOR THE PROCUREMENT OF LEARNING TOOLS AND EQUIPMENT FOR TECHNICAL-VOCATIONAL-LIVELIHOOD (NOW TECHPRO) FOR PUBLIC SCHOOLS**

DATE : **March 18, 2026**

1. The Department of Education (DepEd) issues this Joint Memorandum to authorize the utilization of Fiscal Year (FY) 2026 funds, for the provision of Learning Tools and Equipment for Technical-Vocational-Livelihood (now TechPro).
2. Under Republic Act No. 12314, otherwise known as the General Appropriations Act for FY 2026, a total of Three Hundred Six Million Pesos (P306,000,000.00) from the FY 2026 Learning Tools and Equipment (LTE) funds, which were **directly released to the Regional Offices**, shall be utilized for the procurement and delivery of identified LTE-Technical Vocational Livelihood (LTE-TVL).
3. This memorandum is issued in accordance with the provisions of DepEd Order 020, s. 2022 or the *"Multi-Year Guidelines on the Decentralization of the Procurement, Including the Quality Assurance, Delivery, Documentation, Storage, and Safekeeping of Learning Tools and Equipment for Science, Mathematics, and Technical Vocational Livelihood (LTE-SM and TVL) and the Downloading of the Funds Allotted Therefor"* on the issuance of a supplemental DepEd Memorandum for the provision of the updated versions of the following documents:
 - Annex E – List of eligible LTE-TVL to be procured;
 - Annex F - Technical Specifications of items to be procured;

- Annex G - Regional Allocation and Detailed List (by recipient school); and
- Annex H - Accomplishment Report Template.

These annexes may be accessed thru the link: <https://bit.ly/4sFqkkD>

4. The Regional Offices (ROs) shall serve as the Procuring Entity (PE) and shall designate the Curriculum and Learning Management Division (CLMD) as the implementing unit. A designated focal person within CLMD shall oversee the planning, procurement, implementation, monitoring, and reporting of the utilization of LTE funds.
5. The ROs may, at their discretion, download funds to the Schools Division Offices (SDOs) and/or Implementing Units (IUs) within their jurisdiction. Notwithstanding such downloading, the ROs shall remain responsible for monitoring fund utilization, consolidating reports from SDOs/IUs, and submitting monthly utilization reports to the DepEd Central Office (CO) through the Bureau of Learning Resources (BLR).
6. Upon the issuance of this Joint Memorandum, the PE shall immediately include the project in its Work and Financial Plan and Annual Procurement Plan.
7. Based on the allotted Budget per RO, the PE shall identify and finalize the list of recipient schools within its jurisdiction. **Annex G** is provided for reference and basis for prioritization, reflecting the schools identified by the DepEd CO as having gaps in the provision of LTE-TVL. In cases where the schools listed in Annex G are not aligned with the PE's validated and updated inventory of schools lacking such LTE-TVL, the PE shall determine and prioritize the appropriate recipient schools based on actual and documented need.
8. **Annexes E** and **F** shall serve only as reference lists of LTE-TVL. The PE must conduct rapid audits and field validations of the identified recipient schools to ensure that the proposed list of items for procurement – including quantities and technical specifications – is strictly aligned with the schools' actual and current needs, infrastructure readiness, and existing inventory gaps. In cases wherein after the conduct of market scoping, the technical specifications of the tools and equipment differs vis-à-vis the requirements set in Annex F, the PE shall be authorized to make adjustments to ensure that the final technical specifications reflect what is currently available in the local market. The PE must ensure that the tools and equipment still retain their functionality as prescribed in the curriculum.

Procurement of items not listed in **Annex E**, as well as any reallocation of recipient schools indicated in **Annex G**, may be permitted provided that the concerned SDO issues a certification attesting that the proposed LTE-TVL are context-appropriate, pedagogically aligned, and responsive to local needs.

9. Based on the finalized list of recipient schools and the validated list of LTE-TVL—including quantities, technical specifications, and estimated costs—the PE shall proceed with the conduct of procurement and contract implementation in accordance with the 2016 Revised IRR of RA No. 9184 or

Cor

the IRR of RA No. 12009, as may be applicable, and other applicable laws, rules, and regulations.

10. Upon the full utilization of the funds, the ROs are hereby directed to submit an Accomplishment Report to the DepEd CO through BLR using the prescribed template provided in **Annex H**. The report shall detail the amount utilized, savings incurred (if any), goods procured, quantities, and list of recipient schools, and shall be supported by documentary evidence, including but not limited to the Notices of Award, Contracts, Notices to Proceed, Inspection and Acceptance Reports, and photographs of the items upon receipt and during actual utilization.
11. Any excess amount or resulting balance may be utilized for expenses related to the implementation of the program/activity/project (P/A/P) covered by this issuance, subject to existing budgeting, accounting, auditing, and procurement laws, rules, and regulations. For this purpose, "related expenses" shall refer to those that contribute to a common particular outcome aligned with the objective of this issuance, specifically involving operational requirements or support services essential to program delivery. These may include:
 - a. Expenses related to handling/logistics; and
 - b. Other operational needs directly supporting program implementation.
12. The utilization of funds herein shall be governed by existing laws, rules, and regulations on budgeting, procurement, accounting, and auditing.
13. The funds herein shall be valid in accordance with the National Budget Circular No. 599 or the "*Guidelines on the Release of Funds for Fiscal Year (FY) 2026*." The obligation and disbursement of these funds must be in accordance with the Cash Budgeting System.
