Dear Dir. Firmo:

Greetings from the Science Clubbing Movement!

For 55 years, the Pambansang Kapisanan ng mga Kabataan Samahan na Agham (PSYSC), Inc., the first and largest umbrella organization for science clubs in the Philippines, has been continuously working in delivering quality programs and activities to elementary and high school science enthusiasts across the nation to promote the core thrust of the organization, the public understanding of science, technology, and environment (PUSTE).

This year, PSYSC is proud to conduct the National Leadership Enhancement and Development (NLEAD) Seminar 2026, to be held this August 4-7, 2026, in Luzon. This is an annual four-day training-seminar that capacitates and empowers student leaders all over the Philippines to be at the forefront of leading educational and meaningful initiatives that connect science and technology to the local communities through PSYSC's Regional Councils (RC).
