Dear **Director Jimenez**,

Greetings!

As part of the implementation of the **2026 Measles-Rubella Supplemental Immunization Activity (MR-SIA) and Vitamin A Administration** in Eastern Visayas, the Department of Health – Eastern Visayas Center for Health Development respectfully requests the assistance of the Department of Education (DepEd) Regional Office VIII in supporting this campaign by issuing a memorandum to all Schools Division Offices and public schools, encouraging the participation of school heads, teachers, school nurses, and other relevant personnel in the **Virtual Town Hall Meeting on the MR-SIA and Vitamin A Administration campaign**.

DepEd plays a vital role in ensuring the success of the campaign by promoting awareness among learners, parents, and school communities, supporting the dissemination of accurate information, and encouraging eligible children to participate in the immunization activity. The participation and support of the education sector are essential in strengthening community engagement and helping achieve the campaign target of at least **95% coverage** among eligible children across the region. The town hall will be held via **Webex Link: bit.ly/MRSIATownhall2026_15 on July 15, 2026, at 10:00 AM onwards**.

Should you have any questions and/or concerns, please do not hesitate to contact **Ms. Maria Rosario Juntilla, Health Education and Promotion Officer II**, via email at **doh.healthpromo@ro8.doh.gov.ph**.

We look forward to your continued partnership in safeguarding the health and well-being of every child in Eastern Visayas. Thank you and stay safe!

Very truly yours,

MA. TERESA N. CAIDIC, MD, MPH
Chief, Local Health Support Division

For the Regional Director
