Subject: Request to Partner with Schools in Region VIII for Values Education for the SY 2026–2027

Greetings, Dr. Jimenez:

The challenges faced by today's learners extend beyond academics. Many students are confronted with issues affecting their character formation, emotional well-being, family relationships, and social responsibility. As schools continue to nurture learners to become productive and responsible citizens, there is a growing need for collaborative efforts that reinforce positive values, strengthen moral foundations, and provide holistic support for children and their communities.

Philippine Values Education Program, Inc. (PVEP) is a non-stock, non-profit organization that has been advocating moral recovery and values formation in schools and communities in the Philippines for nearly nineteen (19) years. Through strategic partnerships with educational institutions, local government units, churches, and community organizations, PVEP seeks to help develop learners who are not only academically prepared for the future but are also grounded in the core Filipino values of *Makadiyos*, *Makatao*, *Makakalikasan*, and *Makabansa*.

In response to these growing needs, we respectfully seek the opportunity to partner with the **Department of Education – Office of the Regional Director for Region VIII for the School Year 2026–2027**. Through your approval, PVEP is prepared to offer the following voluntary services to interested schools:

- Supplement Christian-based Values Education classes for elementary and secondary learners using the PVEP NextGen Builders. These materials focus on character formation and values development and do not contain denominational or exclusive doctrinal teachings.
- Support school-initiated programs and activities such as recollections, leadership trainings, youth development activities, celebrations, and other student enrichment programs upon the invitation and approval of school administrators.
- Provide Bibles and other educational and character-development materials to students and school libraries whenever resources are available.

Our values education materials are **aligned with the DepEd's Most Essential Learning Competencies (MELCs) and the Revised MATATAG K–10 Curriculum**. It supports the objectives of Republic Act No. 10533 (Enhanced Basic Education Act of 2013) and Republic Act No. 11476 (Good Manners and Right Conduct and Values Education Act), which emphasize the development of learners who possess both academic competence and strong moral character. Attached to this letter are the curriculum alignment matrices for your reference.

We have attached the PVEP manuals' alignment matrices to DepEd's Revised K-10 and MELCs Curriculum for your reference. We sincerely appreciate your office's assistance and are grateful for your support in allowing us to fulfill our civic duties to our local community. We sincerely appreciate your dedication to the welfare and development of the learners of Region VIII. It would be our honor to partner with your office in advancing values formation and holistic child development among the students under your care.

Respectfully yours,

Adopting the whole-school approach, the PVEP aims to enhance and strengthen the Department of Education's implementation of Good Manners and Right Conduct (GMRC) and Values Education (VE), driven by its civil and moral responsibility to the nation. Its programs and activities, grounded on Biblical foundations, are designed and implemented as supplementary initiatives to support the formation of values and the development of character among Filipino youth. It prioritizes incorporating values formation, development, and practice across all aspects of school life—from classroom instruction and co-curricular activities to school policies, relationships, and community involvement—making values not only taught but lived. However, it is essential to note that PVEP is not, in any way, an equivalent replacement for GMRC and VE in any learning institution, whether public or private, nor does it promote specific doctrines of any religious affiliation or organization.

II. PVEP as Supplementary Role

In support of the Department of Education's mandate to strengthen Good Manners and Right Conduct (GMRC) and Values Education (VE) through the Whole-School Approach, the Philippine Values Education Program, Inc. (PVEP) serves as a committed supplementary partner in cultivating a values-rich school culture.

PVEP complements DepEd's

- Providing enrichment programs that reinforce classroom instruction with engaging, contextualized learning activities for the development of young learners' values and moral foundations;
- Equipping PVEP Values Educators (volunteers) through training, materials, and methodologies that integrate values formation;
- Collaborating with school heads, guidance personnel, and stakeholders to ensure a unified and consistent approach to values formation and development;
- Engaging parents and communities to extend values formation beyond the school environment;
- Promoting school-wide initiatives that embody respect, empathy, integrity, and social responsibility.

Through these efforts, PVEP helps bring the Whole-School Approach to life by ensuring that GMRC and Values Education are taught and lived, fostering an environment where every learner grows into a responsible, compassionate, and values-driven citizen.

III. Validation and Alignment of

PVEP updated and aligned NEXTGEN BUILDERS teaching manuals with the Department of Education's national standards. Notably, its lessons are carefully aligned with the DepEd Revised K-10 curriculum, ensuring that the PVEP program complements the existing academic framework. The organization conducted training and alignment workshops facilitated by DepEd personnel and professionals:
