REGIONAL MEMORANDUM

No. **1337**, s.2026

SERIES OF ACTIVITIES UNDER PROJECT "TEKLOS"

To: Schools Division Superintendents
CLMD Chief
Regional Science and LR Supervisors
All Others Concerned

1. In connection to the joint project of the Department of Science and Technology (DOST) Eastern Visayas and the Department of Education Regional Office VIII in strengthening Disaster Risk Reduction and Management (DRRM) and Climate Change Adaptation (CCA) integration into the curriculum, through the Curriculum and Learning Management Division (CLMD), this Office announces the series of activities to be conducted under "**Project TEKLOS**".
2. The series of activities, participants, writers, illustrators, schedule and venue are all attached as Annex A to this Memorandum.
3. All expenses relative to the series of activities under "Project TEKLOS" shall be shouldered by the Department of Science and Technology (DOST) Eastern Visayas while travel expenses of participants shall be charged against their Local Funds/MOOE subject to the usual accounting and auditing procedures.
4. Immediate dissemination of and strict compliance with this Memorandum are desired.

Annex A. Series of Activities Under Project TEKLOS

ACTIVITY 1: ORIENTATION ON DRM AND CCA CONCEPTS AND CURRICULUM MAPPING IN SCIENCE EDUCATION

Objective/s	Target Participants	Number of Pax	Venue	Date
1. Explain the fundamental concepts, principles, and key components of Disaster Risk Reduction and Management (DRRM) and Climate Change Adaptation (CCA) and their relevance to science education; 2. Identify appropriate DRRM and CCA concepts and competencies embedded in the Science curriculum across relevant grade levels and learning areas; and 3. Develop or enhance a curriculum map that integrates DRRM and CCA concepts into Science learning competencies, content, and learning activities to promote disaster resilience, climate awareness, and environmental responsibility among learners. ACTIVITY 4: REVISION OF SUPPLEMENTARY LEARNING RESOURCES IN SCIENCE WITH INTEGRATION OF DRR AND CCA

Objective/s	Target Participants	Number of Pax	Venue	Date
1. Revise and enhance supplementary learning resources in Science based on the results of the quality assurance review and identified areas for improvement; 2. Integrate appropriate Disaster Risk Reduction (DRR) and Climate Change Adaptation (CCA) concepts and practices into the learning resources to strengthen learners' awareness, preparedness, and responsiveness to disaster and climate-related risks; 3. Ensure the accuracy, curriculum alignment, contextual relevance, and appropriateness of the revised supplementary learning resources; and 4. Produce improved and quality-assured supplementary learning resources that are responsive to the learning needs of learners and supportive of Science instruction.	Gertrudes C.
