Division DRRM Coordinator
All Others Concerned

1. In line with the Department of Education's (DepEd) commitment to building capacities of DepEd personnel and support school preparedness, response and recovery from natural hazards through hazard data, risk assessment and planning tools aligned with DepEd guidance, this Office through the Education Support Service Division, will conduct the Orientation and Training on PlanSmart for Safe School (PSSS) Web Application on November 9-11, 2026 at JAM Beach Resort, Merida Leyte.
2. The activity aims to capacitate schools on the use of the PSSS Application and standardize the development of quality, hazard-specific Contingency Plans. ConPlans developed through the PSSS shall serve as the basis for preparedness and response actions for specific hazards, and shall support school-level decision-making, resource planning, and coordination before, during and after emergencies.
3. Attached are the list of nominated participants and the training matrix. All identified participants are required to register through the link **<https://tinyurl.com/PSSS-Training>** to facilitate the issuance of training certificates and access to digital resources.
4. The participants are reminded to bring their own laptops, chargers, extension cords, other sources of internet connectivity (e.g. mobile data, pocket wifi, etc.) and a personal wellness and health kit.
5. Each participating school shall produce a school-level contingency plan generated through the PSSS Application upon completion of the training. The contingency plan shall serve as the official reference for hazard-specific preparedness and response actions of the school and shall be aligned with existing DRRM mechanism.
