SUBJECT : **ENDORSEMENT OF THE FINALIZED SESSION GUIDES FOR THE CLASSROOM-BASED DISCUSSION ON BULLYING PREVENTION AND ISSUANCE OF A JOINT MEMORANDUM FOR ITS ROLL-OUT IN SCHOOLS**

DATE : September 16, 2026

In line with the Department of Education's (DepEd) zero-tolerance policy against all forms of abuse, violence, neglect, exploitation, and bullying in schools and consistent with DepEd's mandate to enhance the capacity of both teaching and non-teaching personnel, this Memorandum is issued in support of the Learner Rights and Protection Division (LRPD) program on Bullying Prevention.

To uphold the Department of Education's commitment to fostering a safe, inclusive, and conducive learning environment, and in line with the implementation of the Revised Implementing Rules and Regulations of Republic Act No. 10627, or the "Anti-Bullying Act of 2013," all schools are hereby directed to conduct Classroom-Based Discussions on Bullying Prevention using the developed session guides. These session guides include script guides and slide decks. These materials were developed by the LRPD and the Learning Systems, in collaboration with Stairway Foundation Inc., as well as writers from various DepEd offices and bureaus across regions and divisions.¹

¹ Memorandum on the Technical Working Group for the Development of the Session Guides on Bullying Prevention

The Classroom-Based Discussions aim to strengthen learners' awareness and deepen their understanding of the harmful effects of bullying in all its forms. These sessions are designed to cultivate empathy, respect, and a sense of shared responsibility among learners, while equipping them with the knowledge and skills needed to respond appropriately to bullying incidents.

Further, the discussions promote positive help-seeking behaviors by familiarizing learners with DepEd's established reporting mechanisms and support systems, thereby encouraging them to confidently report concerns and seek assistance when needed.

In line with this, all Regional Offices and Schools Division Offices are hereby directed to ensure the wide dissemination and effective implementation of the Session Guides across all schools. They are further enjoined to provide the necessary technical assistance, supervision, and monitoring support to guarantee the quality and consistency of program delivery through our regional and division focal personnel.

Schools are likewise directed to integrate the Classroom-Based Discussions on Bullying Prevention into appropriate learning engagements, such as Homeroom Guidance and other relevant school-based activities. The implementation of these discussions shall be conducted during the opening block (June 8–11, 2026) or, if possible, no later than the end of the first instructional block in September 2026, to ensure early learner engagement and the sustained reinforcement of key concepts on bullying prevention throughout the academic year.

All materials needed for the conduct of the activity shall be accessed through the link and QR code below:

Lastly, to ensure the effective implementation and systematic monitoring of the program, all Regional and Division Offices, through their respective LRP focal personnel, are hereby required to accomplish the enclosed Monitoring Tools attached as Annexes. The Regional and Division LRP focal personnel may likewise develop or adopt complementary data collection tools, as needed, to facilitate the consolidation, monitoring and analysis of reports from schools within their respective areas of responsibility.

For ease of access and reference, the Annexes may be also accessed through the following link:

These initiatives are intended to further strengthen DepEd's commitment to safeguarding learners' rights, promoting positive behavior, and ensuring a safe and motivating learning environment across all schools.

In view of the foregoing, this Office respectfully requests clearance to proceed with the issuance and dissemination of the Session Guides and Joint Memorandum to all concerned offices.
